

The Road

to Equity

1

Get Educated and Inspired

Access information and resources on Diversity, Equity and Inclusion. Tap into curiosity and remain open to personal challenges.

2

Community Engagement

Connect and learn with communities most impacted by inequities. Form learning teams and communities that include collaborators across sectors and communities.

3

Identify and Dismantle Barriers to Equity

Review and change attitudes, culture, practices and policies that prevent the anchoring of equity.

4

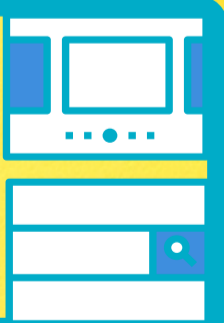

Enact and Evaluate

Institutionalize tested practices, equitable policies and evaluate their impact. Make needed adjustments.
